Press Release

Amanda L. Gabel, PAFM Obtains Professional Designation

The CPA Firm Management Association recognizes Amanda L. Gabel, PAFM as a Public Accounting Firm Manager (PAFM)

Dayton, OH, May 17, 2019: Amanda L. Gabel, PAFM, Firm Administrator with SKMB, P.A. based in Rockville, MD has been awarded the Association-designation Public Accounting Firm Manager (PAFM) by the CPA Firm Management Association (CPAFMA). This prominent designation recognizes Amanda L. Gabel, PAFM's knowledge and professional experience in accounting practice management.

The CPAFMA's voluntary Public Accounting Firm Manager (PAFM) certification program joins a growing trend within accounting and other professions to recognize and create value for those individuals who have achieved a high level of competency within the Firm Manager community. Certification is the recognition and designation that the professional managing the firm has achieved a level of expertise within the profession of Firm Management that exemplifies both their professional capabilities and experience. The credential demonstrates mastery of skill sets necessary to qualify a PAFM as an individual who has attained an unparalleled level of competence.

Professionals can locate Association-certified professionals in North America by visiting the PAFM Directory at www.cpaafma.org or contacting the CPAFMA Headquarters at (937) 222-0030.

The CPA Firm Management Association (CPAFMA), formerly the Association for Accounting Administration (AAA) is a recognized leader in CPA firm practice management delivering valuable education and collaboration opportunities for those interested in elevating their practice and strategically growing their firms. CPAFMA will be a strategic enabler of relationships and provider of valuable connections, resources and education to support holistic CPA firm practice management in areas such as strategy/partner issues, human resources, technology, finance, marketing and business development, in-firm communications, client service, operations and facilities.

For more information about the PAFM designation visit www.cpaafma.org.
